

PENNY WARS

Penny Wars is a game to be competed between clubs, teams, academic departments, or grade levels. The object is to get as many points as possible during the "war." The money raised during the penny war is then donated to Children's Cancer Recovery Foundation (CCRF). Your donation helps CCRF create smiles, inspire hope, and rediscover childhood.

RULES

1. The project is run for any number of consecutive school days.
2. Each group (club, team, department, or grade) needs a large, enclosed container.
3. Each container is labeled with the name of a group.
4. The containers should all be placed in a central location where there is some supervision.
5. Students, faculty, and staff put their pennies in their group's container. One point is received for every penny in the container.
6. Groups may put other coins and paper currency into the containers of OTHER groups. Each silver coin or bill reduces the number of points from that container by the amount of the coin (e.g. a nickel reduces the points by five, a dime by ten, a dollar by 100, etc...). This is where strategy counts. Have fun with it!
7. Containers are emptied and counted daily. The total monetary amount of silver coins and paper currency is deducted from the total number of pennies for the day.
8. The totals for all groups can be posted daily to encourage friendly competition between the groups.

SCORING

1 PENNY = 1 POINT

1 NICKEL = -5 POINTS

1 DIME = -10 POINTS

1 QUARTER = -25 POINTS
